

INDIAN OCEAN HAMFEST

www.mdxc.org/hamfest2016/

Dear Colleagues,

Many of you heard me ON AIR as 5R8UI since 2010, when I left my country in Europe to live on Nosy Be Island, Madagascar.

On 2014 a group of 15 europeans amateurs radio organized a DXspedition to activate the island for 2 weeks with the call sign 5R8M. Local authorities and internationals consuls appreciate the DXspedction and ham radio activities. Nosy Be Boutique Hotel & SPA offers the bar area to the group as a big shack for 15 days and the beach for the antennas (15 even!!!).

After this experience I decide to organize a "ham fest" in Nosy Be, a meeting for the Indian Ocean's amateurs radio and for foreigners too. I'm thinking to organize the meeting on 10th and 11th September 2016, and I'll offer also the possibility to stay a little longer, to discover Nosy Be Island and the archipelago. Nosy Be Island is most famous tourist location in Madagascar, with also 4 stars hotels.

Mediterranean DX Club MDXC www.mdxc.org is a partner of INDIAN OCEAN HAMFEST.

Amateur Radio Society <http://arsitalia.it/> will support the event.

The ORTNB "Regional Office of Tourism of Nosy Be", very busy, well be glad to support this event.

You can join us on Nosy Be Island from:

- Italy, 3 direct weekly flights www.neosair.it and www.meridiana.it/;
- La Reunion 2 or 3 direct weekly flights www.air-austral.com,
- Mauritius, stop on La Reunion;
- South Africa direct flight Airlink <http://flyairlink.com/>
- France, stop to Antananarivo www.airfrance.com or La Reunion www.air-austral.com
- China (Guangzhou), stop in Antananarivo www.airmadagascar.com
- Thailand, stop in Antananarivo www.airmadagascar.com
- Seychelles, stop in Antananarivo www.airseychelles.com
- Mayotte direct flight www.ewa-air.com

Others africans countries are connected with Antananarivo.

We'll ask support also to internationals enterprises: DX club, nationals associations of amateur radio, amateur radio equipment builders and factory, europeans/americans/chineses/japaneses enterprises.

You'll be welcome as associates or collaborators, exhibitors or speakers (orators) during the seminar if you have any proposal.

I'm available for suggestions and ideas.
