

## Cauer Bandpass N=3

Transmission, dB

Details of limits for transmission magnitude plot:

From DC up to 19,5k magnitude is no more than -24,95

From 10m upward; magnitude is no more than 0.0000

From 20,35k to 22,7k magnitude is at least -2,15

At 20k magnitude is no more than -9,95
